

ROBERT RICHARDSON

WEB DEVELOPER

I found my vocation and passion as a web developer. The existence of a field where I can both put my creative hunger and fascination with optimizing human centered systems to use continues to energize and fill me with joy.

EXPERIENCE

Colonial Life

Insurance Account Representative

August 2014 - April 2015

Utilized a variety of sales technologies daily including Reference USA and Mailchimp in order to secure meetings with business owners. Educated and enrolled employees using Colonial Life's custom enrollment platform.

Union Jack's

Expeditor

August 2013 - December 2013

Was trained in and managed the POS system to coordinate between bar, servers, and kitchen during the busiest time of the year.

Various production companies

Camera operator/ Audio technician

April 2014 - July 2014

Worked on a variety of film projects in technical roles ranging from a Cosplay documentary to a series of comedy skits. Applied newly learned camera and sound equipment training under pressure on C2E2's busiest day.

VOLUNTEER

iCon Tournaments

Tournament Organizer

June 2016 - Present

Orchestrated 86-person tournament bracket with 5 minutes of notice drawing 100 Facebook likes in 2 hours.

Built station, safety, and organizational structures from the ground up while balancing my duties over 14 hour shifts.
